**Plant Biotechnology for Pharma,
Food and Cosmetic Applications**

**Mini-Symposium:
From Nature to Bioreactor**

ZHAW Wädenswil,
Campus Grüental, Switzerland

7th and 8th September 2016

www.biotech2016.ch/mini-symposium

Scope of the Mini-Symposium: «From Nature to Bioreactor»

Our Mini-Symposium will address the current state of applications of *in vitro* plant culture technologies in pharma, food and cosmetic applications. The programme of the Mini-Symposium includes invited lectures as well poster presentations. The main topics of the Mini-Symposium are:

- Methodologies in *in vitro* plant cultivation: From plant tissue to plant suspension cultures
- Strategies for controlling plant secondary metabolite content in medicinal and aromatic plants
- Hardware, infrastructure and bioprocess control methods for plant biotechnology
- GMP and non-GMP applications for plant biotechnology

Call for Posters

Please use the form available for download at:

www.biotech2016.ch/mini-symposium. Abstracts which are related to the above topics, can be submitted by 1st May 2016 to Dr. Evelyn Wolfram: evelyn.wolfram@zhaw.ch

Registration

Online registration is open from 31st March 2016 and will end on 15th August on the website www.biotech2016.ch

Fees

	before 31 st May 2016	after 31 st May 2016
Mini-Symposium (7 th and 8 th September)	CHF 150.-	CHF 250.-

Students, presenting a poster, will be granted free admission to the Mini-Symposium.
